

Remembrance

Hello, my name's **Sergeant Harry Garrett**. I fought alongside the Kent and Sharpshooters Yeomanry in World War 2, where I sadly lost my best friend, Ebby. Since his death I have raised over £60,000 for the poppy appeal in his memory.

Why do we wear poppies to remember? Listen to the story of the poppy to find out.

When do we remember? **Why?**

How do we remember? Read the poems written in WW1 and use our magnets to try and create your own piece of remembrance poetry.
